

## Sauk Prairie Youth Girls Basketball Information for 2017

The Sauk Prairie Youth Girls Basketball mission is to provide kids 4th - 8th grade an opportunity to play basketball and provide proper instruction for ALL coaches involved so we have a consistent approach/style for all levels through the varsity program. Teach participants the value of a proper attitude, good sportsmanship, respect for teammates, opponents, coaches and officials and improve kids individual and team basketball skill. All programs feature the core goals of skill development, fundamentals and teamwork. Values include humility, passion and unity.

Girls youth basketball is a club organization and joins a traveling basketball league for girls in 4th-8th grade. Participants will play games on Saturday and Sunday versus other children of similar ages. Participants in 4th – 6th grade will have the option to play in three additional tournaments covered by the club. Participants in 7th – 8th grade will play league play in the fall only to avoid any conflicts with middle school ball in the winter. To be eligible for the 2017-2018 Sauk Prairie Youth Basketball's girls' basketball teams (4th, 5th, 6th, 7th, and 8th grade), registration must be completed and received by: Recreation Department, 730 Monroe Street, Sauk City, WI 53583 -- no later than **September 18<sup>th</sup>**. Questions? Call 643-0520.

### **Fund Raisers**

The Sauk Prairie Youth Girls Basketball Club needs volunteers throughout the season in our efforts toward helping make our Sauk Prairie players and programs to be the best that they can be! Our fundraisers help support our teams with items such as youth paid registration & participation in multiple tournaments throughout the season, Sauk Prairie t-shirts, basketball player camp subsidies, coaches' clinics, high school summer camp and basketball equipment as well as helping keep individual family fees & costs down. Please consider signing up for a shift at any one of the Youth Girls Basketball concession stands when the schedule is announced.

Thanks for helping us to be the best program and basketball team that we can be! We look forward to another great year of Sauk Prairie Basketball!
