School Nurse

The Sauk Prairie School District has a 1.0 FTE opening for a School Nurse. The primary role of the School Nurse is to support and advance the health, academic success, and life-long learning of students.

Applicants must have strong interpersonal skills and the ability to work successfully and positively with students and staff. The School Nurse monitors compliance of health requirements, such as, but not limited to reviewing and interpreting immunization and other health documentation, the management of medication administration, and the training of staff. He or she will also provide care and case management for students with chronic health needs and work collaboratively with other district nursing staff to provide continuity of the delivery of nursing services for students and staff.

Qualifications: Bachelor of Science (RN). Licensed by State of Wisconsin as a Registered Nurse. Department of Public Instruction (DPI) School Nurse Certification preferred. Current AED/CPR and First Aid certification.

If you have any questions, please call Noelle Sapiro, Executive Director of Special Education & Pupil Services at (608)643-5988 or email noelle.sapiro@saukprairieschools.org

All applicants must apply via WECAN at <https://wecan.education.wisc.edu/#/>. As part of your WECAN application, please provide the online cover letter and attach the following files: resume, transcripts, and credentials/three letters of recommendation.

Application deadline: Until filled
