Concussion Information and Waiver

Parent/Athlete Concussion Awareness Information

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion caused by a bump, blow or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a “ding”, “getting your bell rung” or what seems to be a mild bump or blow to the head can be serious.

WHAT ARE THE SIGNS AND SYMPTOMS OF A CONCUSSION?

Signs and symptoms of a concussion can show up right after the injury or may appear days or weeks after the injury. If an athlete reports one or more symptoms of concussions listed below after a bump, blow or jolt to the head or body, they should be kept out of play the day of the injury and until a health care professional, experienced in evaluating concussions, says they are symptom-free and they are OK to return to play.

Signs Observed by Coaching Staff:

- Appears dazed or stunned
- Is confused about position or assignment
- Forgets an instruction
- Is unsure of game score or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior or personality changes
- Cannot recall events **prior** to hit or fall
- Cannot recall events **after** hit or fall

Symptoms Reported by Athletes:

- Headaches or “pressure” in the head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to noise
- Feeling sluggish, hazy, foggy or groggy
- Concentration or memory problems
- Confusion
- Just not “feeling right” or “feeling down”

CONCUSSION DANGER SIGNS

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow or jolt to the head or body they exhibit any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse or slurred speech
- Weakness, numbness or decreased coordination
- Repeated vomiting or nausea
- Convulsions, seizures or unusual behavior
- Cannot recognize people or places
- Becomes increasingly confused or agitated
- Loses consciousness for any amount of time

WHY SHOULD AN ATHLETE REPORT THEIR SYMPTOMS?

If an athlete has a concussion, his/her brain needs time to heal. While an athlete’s brain is healing, they are much more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain. It can even be fatal.

WHAT SHOULD YOU DO IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?

If you suspect that an athlete has a concussion, remove them from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play until a medical professional says they are symptom free and are OK to return to play. Rest is the key to help an athlete recover. Exercising or activities that involve a lot of concentration (studying, computers, video games) may cause concussion symptoms to reappear or worsen. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.

As a participant in a program of the Sauk Prairie Summer Baseball Program, I agree to abide by and follow the rules and guidelines below.

Respect on and off the field is the key!

- I will remember that I play baseball to have fun.
- I will remember that I come to the practices and games to have fun playing baseball and I understand that any conduct that does not display this can affect my practice and playing time. (i.e., fooling around during practice, during a game, on the bench, making fun of teammates, not paying attention to coaches at practice or during the game, etc.).
- I will respect my teammates, coaches, and spectators. This includes following directions given by the coach without questioning or back talking.
- I will actively display good sportsmanship through my actions, by demonstrating positive support for all players.
- I will treat umpires and officials with respect, even if I disagree.
- I will treat all players, coaches, officials, parents, and spectators with respect regardless of race, creed, color, sex or ability.

2018 Sauk Prairie Summer Baseball
PARENT/LEGAL GUARDIAN CODE OF CONDUCT AGREEMENT

Sauk Prairie Summer Baseball is a PRIVILEGE not a right and any player or parent that does not abide to the program's views of baseball or proves to be a distraction to their team will be released from the program.

As a parent/legal guardian of a child involved in the Sauk Prairie Summer Baseball program, I agree to abide by and follow the rules and guidelines below.

- I will promote the emotional and physical well-being of the athletes ahead of any personal desire to win.
- I will remember that my child plays baseball for his enjoyment, not mine.
- I will encourage good sportsmanship through my actions, by demonstrating positive support for all players.
- I will provide support for coaches and officials working with the athletes to provide a positive experience for all.
- I will demand my athlete treat all players, coaches, officials, parents, and spectators with respect regardless of race, creed, color, sex or ability.
- I will demand my athlete not engage in any type of threatening or bullying behavior either verbally or physically in person or via social media.
- I will treat all players, coaches, officials, parents, and spectators with dignity in language, attitude, behavior, and mannerisms.
- I will inform the coach of any physical disability or ailment that may affect the safety of my athlete or the safety of others.
- I will notify the coach in a timely manner if my son is ill or unable to attend a game/practice due to other obligations.
- I will respect the property and equipment used at any sports facility, both home and away.
- I will help take care of and respect our facility by helping in field maintenance, such as dragging the field after games and practices.
- I understand the consumption of alcohol is prohibited at all Sauk Prairie Summer Baseball games.
- I understand that concealed weapons are not allowed at games or practices.

NOTE: If your athlete has any questions, we encourage them to be the individual to talk to the coach or coaches. However, if parents have questions regarding their son's playing time, position, spot in the lineup, etc., **please wait at least 1 hour after a game before discussing with coaches.** The competitive nature of sports applies to coaches and a 'cooling' down period after games is a nice buffer for coaches/parents.

I understand that by signing this document I am agreeing to support and promote this Parent/Legal Guardian Code of Conduct Agreement. Further, my failure to comply with this Agreement or my participation in any of the defined CONDUCT SUBJECT TO DISCIPLINE will result in disciplinary action, up to and including expulsion from the Sauk Prairie Summer Baseball program and its affiliate member associations.
