

Weather Cancellation Policy

In the event of inclement weather for a Recreation program, the department will use multiple factors to determine if a program/activity will be cancelled or not. This can include using national heat index guideline, field conditions, forecasted weather, etc.

- Morning activities may be cancelled up to ½ hour before a program begins and notification will be on the website, Facebook, and an e-mail will be sent to all participants.
- A decision regarding evening events will be made no earlier than 2:00 pm on the day of the activity. Final decision will be made by 3:30 pm.

****If the Sauk Prairie School District cancels school for inclement weather or any other cancellation reasons, all Recreation Department activities will be canceled.**

National Heat/Humidity Guidelines

A. Heat Index of 80-89 (Low to Moderate Risk)

Proceed with scheduled outdoor activity. Monitor participants carefully for necessary action. Encourage additional fluid intake.

B. Heat Index of 90-104 (Moderate Risk)

Use caution. Fluid/Shade/Rest breaks should be taken every 20-25 minutes. Activity should be modified for less exertion. Consider reducing program length.

C. Heat Index of 105-114 (High Risk)

Use extreme caution. Fluid/Shade/Rest should be taken every 15-20 minutes. Reduce program length to no more than 60 minutes per class. Additional instructor breaks. Consider cancellation of youth and senior programs of high exertion activities.

D. Heat Index of 115-130 (Very High Risk)

We will cancel all outdoor activities
