Health Information

Please list any health or allergy concerns (including medication allergies).

Will your child require any medications while on this trip? No Yes
 If yes, name of medication: _____

Note: A medication consent form is required by law for any prescription or over the counter medication that is taken during a field trip just as at school. The form has to be completed and signed by a parent and a health care provider. The completed forms should be given to the school **at least a week** before the trip. Medications must be in the original, labeled container and carried by the parent/guardian to the school. School policy also requires that a staff person hold and dispense all medications to the student except for those with specific permission to self-administer (such as epi pens, insulin and inhalers). A consent form (Form 5330 F1) is available under "School Forms" on the District web site (<http://www.saukpr.k12.wi.us/forms.cfm>) or from any school office. Please check with a school nurse if you have further questions.
