Sauk Prairie School District

Facility User Manual

Responsibility & Facility Use

1. The Sauk Prairie School District (District) allows our facilities to be scheduled for use of school sponsored activities, school affiliated groups, community groups, non-community groups, and for profit organizations provided that the use meets the facility use criteria and it does not conflict with regularly scheduled programs of the District.
2. See Sauk Prairie School District Facility Policy Manual for more information on facility policies within the district :
 - a. https://drive.google.com/file/d/0B6_SID9IG3clcHVnWmJMJMUN0MGc/view?usp=sharing

Facility Use Fees and Charges

1. Deposit
 - a. Groups (or individuals) may be required to post a minimum security deposit of \$250.00 which will be applied toward liable damages, if occurred, or refunded if the area is left in good order.
2. Rental Fees can be found on pages 7-9 in SPSD Facility Policy Manual

General Facility Procedures

1. When your facility reservation is approved through RSchoolToday, it will be necessary to make arrangements to pick up a fob or key to access the school on the date(s) of your reservation(s). Please contact Mitch Koester at mitchell.koester@saukprairie.schools.org or 608-643-8386 between 9:00am and 1:00pm to make these arrangements.
2. A fob, key or key code will be issued for a facility reservation. A fob and key code will only allow you access to the building during your reserved time. It will not be active before or after your specified reservation times.
3. **How to use a fob?**
 - a. To gain entrance to the building there are 2 options:
 - i. To open the doors for a moment for you to enter the building, swipe the fob one time. You will have 5 seconds to enter the door until it will lock again. This might be useful if you are coming early to set up for your activity, but you do not yet want the doors open to everyone else. There is a fob reader at both the exterior and interior set of doors at the main entrance.
 - ii. To unlock the doors for the duration of your rental, swipe the fob two times within a 5 second time period. This will unlock the doors and keep them unlocked until either you or the door security system lock the doors again. You only need to double swipe the fob on the fob reader by the

Sauk Prairie School District

Facility User Manual

EXTERIOR doors at the main entrance. This will unlock both the exterior and interior set of doors at the main entrance.

- b. To lock the doors
 - i. Swipe the fob two times within a 5 second period of time at each door. This will lock them to secure the building. This will be especially important if you should leave the building prior to the end of your scheduled time. The door security system will also lock the doors at the end of your rental time, but if you leave early the building would be unsecured until that time.

4. How to use Pin Code

- a. The code will NOT work prior to the time you gave us for set up (1/2 hour)
- b. Punch in the * (star) on the key pad
- c. Punch in the code for unlocking the door (typically ends in zero)
- d. Punch in the # key
- e. You should hear a click and the door will be unlocked.
- f. The door will remain unlocked until half hour after your end time.
- g. When you leave again punch in the *(star) , code to lock (ends in 1) and the # key.
- h. You should hear a click and the door will be locked. Please double check it.

5. Returns

- a. Please return all fobs and keys to the Community Center, 730 Monroe St, Sauk City. Returns can be made during office hours and fobs/keys can be placed in drop box.

6. Emergency

- a. If you have significant concerns with your building rental or have difficulty with the fob or key codes, please contact Mitch Koester at (763) 478-1873 or John Lehan (262) 498-8888.
